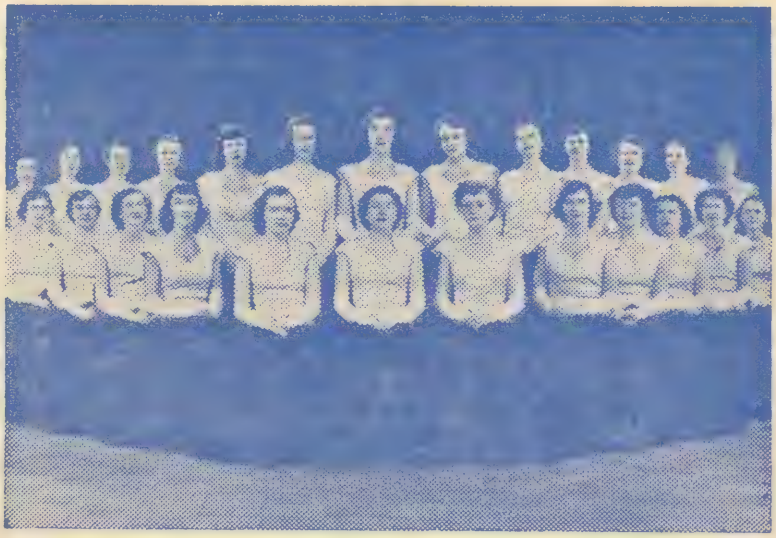
- Programme and Achievement



Who Are The Leslie Bell Singers?

Organized twelve years ago as an alumnae chorus, the Leslie Bell Singers have won an international reputation as the continents finest all girl singing group. Critics and public alike praise their beautiful voices, superb ensemble singing, versatile repertoire, as well as the freshness and charm of the choir itself.

The Leslie Bell Singers received their first public recognition during the war when they gave hundreds of Concerts at the armed service camps in the Toronto area. Their popularity steadily increased as they were booked in the Toronto "Pops" concerts, a few CBC sustaining shows, and then engaged by the Government to record spots for over six hundred U.S. radio stations promoting tourist trade in Canada.

However, it was their first sponsored radio series, the Canadian General Electric programme, started in 1948, which gave them international fame by establishing them as Canada's greatest singing stars. The singers have since given concerts in New York and Buffalo, been starred in two movie "shorts", and received dozens of offers for long term engagements in New York and concert tours of the States. Last fall, Dr. Bell presented his Singers in person for the first time in the West during a two-week tour which took them to Winnipeg, Brandon, Regina, Calgary, Edmonton, Moose Jaw and Saskatoon.

The Bell Singers, who are now as famous for their personality and charm as their talent, range in age from 18 to 25. With the exception of ten or fifteen, they are all business and professional girls whose jobs vary from secretaries to nursery school teachers, occupational therapists to dental assistants. They spend at least fifteen hours a week rehearsing or giving concerts, and count out-of-town tours as vacation time. Marriage takes the greatest toll on personnell, but a few of the "Bell" brides continue to sing with the the group while their husbands are still attending University. At each new wedding, the entire ensemble turns out to sing the happiness of the bride and groom.

Orillia Quota Club

THE IDEA of a Women's Service Club, working along lines similar to those of Kiwanis, lead to the forming of Quota International by five women in Buffalo, N.Y., in the year 1919. Since that time, Quota, which means "To Share," has established clubs throughout the United States, Canada, Australia and Mexico. Quota is a classification club, and draws members from every branch of busiuess and profession, where women are found in executive positions.

The first Canadian Quota Club was formed in Winnipeg, Manitoba, in 1926, and since that time many Clubs have grown up in cities and towns throughout many of the Provinces of Canada.

THE ORILLIA QUOTA CLUB came into being in 1945, and held its Charter meeting on June 18th of that year, with a small, but enthusiastic, membership, and has since grown to a membership of 38.

"To develop good fellowship and enduring friendship, and to advance the ideas of righteousness, justice, mutual understanding and goodwill," these are the ideals of Quota. The Club's energies are for the most part devoted to Girls' Service Work in the community, although in addition to this grants are made from time to time to other local enterprises. Aid has also been furnished to the hard of hearing.

Although young in years, Orillia Quota Club has behind it a gratifying record of achievements in service work. Early in its life funds were raised and a two-bed hospital donated to Breezy Point Camp, and each year a number of girls are given a camp holiday at Breezy. Each Christmas baskets are distributed to elderly women who may be alone or in hospital. Quota has established the "Mary Logan Memorial Scholarship Fund" to advance the musical education of gifted youth.

One of the most interesting and successful enterprises has been the formation of a "Junior Miss Club," a Club for girls between the ages of 12 and 16. Meetings of Junior Miss are held weekly, and the girls receive instructions on subjects of their own choosing, under the supervision of Quota members. From Junior Miss will be derived Quotarians of to-morrow.

The Quota Club has this year donated Scholarships to the Graduating Class at the Hospital, and to the pupil attaining the highest marks in Latin at the High School.
